## Circulatory System Model Activity Set

### Description

---

A cutaway view of the interior of the heart can be seen and studied.

The circulation process is reinforced with a colourful three-overlay transparency of the heart.

Jainco Export set includes a full-colour markable model of durable vinyl and an activity guide with background information, basic understandings, teacher-developed activities, a glossary, a key to model structures, colour transparencies and a blackline master.

Trace vessels throughout the body while viewing an enlarged cutaway section of a vein and an artery.
