Nervous System Model

Description

The Jainco Export model illustrates the structure of the central and peripheral nervous systems.

Jainco Export includes a full-colour 600 x 450mm markable model of durable vinyl and an activity guide with background information, basic understandings, teacher-developed activities, a glossary, a key to model structures, colour transparencies and a blackline master.

Diagrams of the model illustrate locations of the brain, spinal cord and spinal nerves, dendrites, axons and synapses.

Includes a close examination of the human brain with a removable transparent overlay defining the brain lobes.
